

Lebanon Bombers 2012 Parent Agreement

As a parent of a player of the 2012 Lebanon Bombers Baseball Organization I fully agree to the following:

- 1.) I understand that my child is playing "Select" and Competitive Baseball. Formal practice and informal "casual" practice is both the coaches, players, and parents responsibility. My child is expected to practice on their own and outside of practice.
- 2.) Playing time and positions will be determined based on the following factors:
 - Coachability
 - Skills
 - Effort
 - Contributions towards the team.
 - Needs of the current game or situation.

I will not approach the coaching staff immediately after a game to discuss playing time or positions played. Issues should be discussed in person or Telephone. Emails are not the best vehicle to communicate.

- 3.) From April 1st to July 1st my child will make Bomber Baseball their #1 Athletic pursuits. Other sports should not be participated in during this time.
- 4.) I agree to support the efforts of the team, and be a positive spectator for all players during games and practice. I will demonstrate positive, and enthusiastic behavior as a Bomber parent. These are children playing a game that is fun!
- 5.) If I would like my player to not play for any reason due to injury or conduct, I will inform the coaching staff as early as possible.
- 6.) I will not "actively" coach my child during games or practices. Positive reinforcement will be demonstrated.
- 7.) I will promptly pay any fee's that are due on schedule, or communicate accordingly with my coach.
- 8.) I will show Excellent Sportsmanship to our Opponents at all times.
